

# UNDER THE STARS

## *Kehi Re Juru*

The "Under The Stars Kehi Re Juru" camp is located in the heart of a true paradise.

Situated on the edge of the Nambib desert, you will be surprised to discover this camp in the middle of a desert stretch colonized by the wine, almost unique in Namibia!

You will stay on the grounds of a famous wine-growing plantation at 58kms from the Sesriem gate, where you can taste the famous "desert wine".

Our tents built in May 2017, are set in the heart of this wild nature, will not leave indifferent travelers in search of renewal of theirself.

Equipped with the essential comfort, you will experience a unique experience.

Lighting is provided through solar energy and the materials are constructed from materials of the region. You will completely communicate with nature. Your stay will only be based on the preservation of nature. A friendly responsible behavior is essential to preserve for many years this unbelievable heritage!

Moreover, you will have to raise your head and discover a starry sky, out of the ordinary, a clear sky that you will see nowhere else to take your breath away. «Welcome to Keri He Juru»

## **Namib Desert**

The must to see in Namibia!

Considered one of the oldest desert in the world, the Namib Desert is crossed by several rivers, gorges and canyons (including Sesriem and Kuiseb), which are practically always dried up where the dunes stretch as far as the eye can see. A unique landscape full of emotions...

## **Sossusvlei**

All the splendor of the Namib Desert is there.

A protected park with a sea of dunes in ocher color to take your breath away. Giant dunes, some of the highest in the world, some up to 300m high.

## **Dead Vlei**

This site is of extraordinary beauty so the contrast is striking between the calcified bench floor and the black trees dating back over 900 years.

Let yourself be overwhelmed by the beauty of the place, by all the trees caught in the limestone and witnesses of a time that is now over.

Not to be missed in Namibia, a must to do!

## **Sesriem Canyon**

The Sesriem canyon, which is over 15 million years old, has an impressive geological structure: This site offers you beautiful walks in perspective.

## **Wine tasting**

Duration of visit: about 1 hour

The site of Neuras thanks to its climate and its privileged situation, enjoys an exceptional climate for the fauna to be able to adapt itself to the birth of vine.

The wine of this property begins to make its place within the wine world.

### **2 types of tasting**

- Wine Tasting & Tour: Walk and discover the vineyards of Neuras. Tasting of 3 wines accompanied by cheese
- Wine Tasting with cheese platter: Discovery and tasting of 3 wines from the region, accompanied by an oenologist

## **Sundowner**

Duration of the visit: about 2h30

Enjoy the sunset from the Honey Canyon.

Snack and a glass of "desert wine".

Admire the places in this exceptional setting!

## **Carnivore feeding**

Duration of visit: about 1 hour

At 5 min from the camp, we can offer you a "carnivore feeding" where you will attend the feeding of the cheetahs. Accompanied by your ranger, this one will explain to you the actions carried out by the association to guarantee the preservation of the animals as well as the eco system. Eco-friendly trend! Unique experience in Namibia!
